COMMUNITY

GET TO KNOW THE

FRIENDS' TREAT TRUCK

WHAT

The Friends' Treat Truck is a social enterprise of Friends Life Community. It runs on a business model that breaks down barriers for people with intellectual and developmental disabilities.

WHY

It's not your typical ice cream truck! The Treat Truck promotes awareness and inclusivity of people with disabilities. It shows the community what they have to offer while they gain skills in employment and entrepreneurship.

HOW

Book the Treat Truck for your event by selecting one of our booking packages, with prices based on anticipated crowd size. The price of booking is the only cost. Treats are handed out "free of charge" at each event, though we always encourage and accept donations to fuel our ongoing programming!

*Please note, our booking packages are base prices. There may be an additional fee based on length of time and distance traveled. Any additional fee will be communicated up front.

WHEN

The Friends' Treat Truck is available to book 7 days a week for a variety of events, including church events, staff appreciation days, neighborhood gatherings, and school events!

WHO

For inquiries and to book, email treattruck@friendslife.org
